Subject: 2013 Fall Transportation Meetings

Dear Mr. Christie: *GARY*

The Commonwealth Transportation Board will again conduct nine public meetings across the state in October and November to give stakeholders the opportunity to review and provide comments on projects and programs to be included in the Fiscal Year 2015-2020 Six-Year Improvement Program, including highway, rail and public transportation initiatives. I will co-host the November 21 meeting at The Kirkley Hotel in Lynchburg with our local CTB representative(s) and the Department of Rail and Public Transportation. We want to build on the efforts during last year's fall meetings, and it is important that we hear from you and your constituents about those projects you feel are the highest priority for the state's limited transportation funds.

These meetings will consist of an open house format from 6:00 p.m. to 7:00 p.m. where attendees can review materials produced by agency staff and discuss specific projects or issues. Following the open house, an opportunity will be provided for comments from the public and transportation stakeholders. Written comments may also be submitted during this informal session, or they may be mailed or e-mailed until December 6, 2013. As we did last year, meeting materials will be available on the web at <http://www.virginiadot.org/2013fallmeetings> starting October 22nd. The Fall Transportation Meeting Schedule is attached.

Representatives from the Department of Transportation, Department of Rail and Public Transportation, Office of Transportation Public-Private Partnerships and the Office of Intermodal Planning and Investment will be in attendance to provide information on current initiatives.
