

October 15, 2026 Virtual Meeting

Staff Report

1. Call to Order & Establishment of Quorum

Confirmation of a Quorum for the virtual CVTPO meeting.

2. Minutes Approval: September 17, 2026 (Action Item)

The draft September 17, 2026 CVTPO meeting minutes (*Attachment 2*) are provided for review and approval consideration.

Recommendation: Approve September 17, 2026 minutes.

3. Connect Central Virginia 2050, LRTP Update (Informational)

The CVTPO, at the September 17, 2020 meeting, conditionally adopted pending no negative comments from the 30-day comment period, adopted Connect Central Virginia 2050, the Long Range Transportation Plan (LRTP). The LRTP 30-day comment period is from September 18, 2026 to October 19, 2026. Kelly Hitchcock will provide a summary of all LRTP public outreach activities and a summary of any public comments received as of 3:30 p.m., Thursday, October 15, 2026.

4. FY2027 – 2030 Transportation Improvement Program (CVTIP) Re-adoption (Action Item) (*Attachments 4a, 4b*)

The Central Virginia Transportation Improvement Program (CVTIP) is the mechanism for allocating transportation resources and establishes federal and state funding eligibility. It is the four-year program that addresses the immediate funding needs for transportation system management (TSM) and operations. The TIP also addresses immediate funding needs for the transportation projects drawn from VDOT's Six-Year Improvement Program (SYIP), public transit agencies, social service transportation services, Lynchburg Regional Airport's Capital Improvement Plans, and the Central Virginia Long Range Transportation Plan.

The CVTPO, May 21, 2026, adopted the FY2027-2030 CVTIP. The document was developed under guidance, review and offered comments from local, state and federal partners and through an executed 30-day comment period. As the Connect Central Virginia 2045 LRTP was expired and as the CVTIP must reflect an MPOs Long Range Transportation Plan, a re-approval action by the CVTPO is required for the FY2027-2030 CVTIP.

The FY2027-2030 CVTIP, with proposed technical corrections, is presented as *Attachment 4a* to the CVTPO for re-adoption consideration with the noted key points:

- The FY2027-2030 CVTIP presented for re-adoption has the same projects as in the adopted May 21, 2026 document.
- The FY2027-2030 CVTIP reflects the Connect Central Virginia 2050 LRTP project list.
- The FY2027-2030 CVTIP will include, with approval by the CVTPO, technical corrections within the narrative portion of the document to correctly reflect reference to Connect Central Virginia 2050, LRTP.

- Supports the additional CVTPO September 17, 2026 action providing authority for Alec Brebner, CVTPO Administrator, to sign the Self-Certification Statement.

The Transportation Technical Committee (TTC) recommended the CVTPO re-adopt the FY2027-2030 CVTIP, with the noted technical edits, at their October 8, 2027 meeting.

Recommendation: CVTPO staff recommend that the CVTPO conditionally re-adopt the FY2027-2030 Central Virginia Transportation Improvement Plan (CVTIP), with the completion of the Connect Central Virginia 2050, Long Range Transportation Plan 30-day comment period. Making this motion will provide for the Dwayn Tuggle, Chair, CVTPO and Alec Brebner to sign the FY2027-2030 CVTIP Resolution (*Attachment 4b*) upon completion of the LRTP 2050 on October 20, 2026.

5. Opportunity for Public Comment

The CVTPO meetings are open to the public. At this time any public participant is provided an opportunity to address the CVTPO. Public comment is limited to three (3) minutes per individual.

6. Matters from the Board and/or Staff (*all items informational*)

a. State, Federal, Local agency partner updates

A time for VDOT, DRPT, FHWA, FTA, GLTC partners to share program information.

b. Other

Open discussion opportunity.

7. Adjourn

Informational Item

The next CVTPO meeting will be Thursday, November 19, 2026. .
