

Join us for a virtual public meeting

for the

Village of Rustburg Rt 24/US 501 Corridor Improvement Study

on

**November 19th, 2020
at 6:30 PM**

What

A planning study is being conducted for Route 24 (Village Highway) in Rustburg. The study area is between Brookneal Highway on the west and Red House Road on the east. The study will identify needed road improvements and enhancements. This meeting is the first of two online public involvement meetings to provide an opportunity for citizens to learn about the corridor study project and provide input and insights into concerns and issues, related to travel congestion, safety concerns, walking and bicycling in the study area. See the study area map on the back of this flyer.

Who

Anyone with opinions and input about travel conditions or other street enhancements that should be considered in the study area is welcome to attend this online public meeting.

Where

The meeting will be held in an online format and will include an initial presentation, and then an opportunity to provide commentary and ask questions of the study team. Register at the link below:
